

Series: KTD	Discharge Bore: 50·80mm	Motor Output / Pole: 2.2·3.7kW / 2-pole
-----------------------	-----------------------------------	---

The KTD-series is a submersible three-phase cast iron heavy-duty slurry pump. It is equipped with an agitator that assists smooth suction of the settled matters. The pump parts such as the impeller and the suction cover are made of wear-resistant materials. The top discharge, side flow design assures efficient motor cooling even when it operates with its motor exposed to air. The slim design allows the pump to be placed in a confined space.

Selection Table

Model	Discharge Bore mm	Motor Output kW	Phase	Starting Method	Pole	Dry Weight kg
KTD22.2	50	2.2	3-phase	Direct on Line	2	38
KTD33.7	80	3.7	3-phase	Direct on Line	2	65
